

Investiture Ceremony for the second cohort of Bharti Airtel Scholarship, Lucknow

Our journey to support and celebrate the Leaders of Tomorrow continues!

On Friday, we hosted the Investiture Ceremony for the second cohort of the Bharti Airtel Scholarship in Lucknow. 14 Bharti Scholars from IIT Kanpur and IIT BHU Varanasi were formally inducted into this growing community of changemakers.

Each Bharti Scholar receives comprehensive support that covers their academic fees, hostel and mesS expenses, along with a high-end laptop. In addition, every scholar voluntarily commits to support at least one student once they are gainfully employed - helping create a self-sustaining ripple of empowerment and inclusion.

The ceremony also featured inspiring interactions with senior leaders including Amit Gupta (CEO, airtel UP Circle), Nuriya Ansari (CEO, Bharti Airtel Foundation) and Sameer Shah (Head, Program Operations, Bharti Airtel Foundation), who addressed and encouraged the Bharti Scholars as they embark on this new journey.

We are proud to nurture talent, fuel dreams, and build a future where education opens doors for all.
