#### **About Bharti Airtel Foundation**

Bharti Airtel Foundation was set up in the year 2000 as the philanthropic arm of Bharti Enterprises. It implements and supports programs in primary, secondary and higher education. Since 2006, the flagship, Satya Bharti School Program has been providing free quality education to thousands of underprivileged children in 173 schools in rural India across five states, with a focus on the girl child. The impact of quality education has been widened by transferring the learning and good practices of this program to more than 3.7 lakh students studying in 880+ partnering government schools across 12 States/UTs, through Quality Support Program (QSP), since 2013. Most of the processes under QSP were found to be pragmatic. Bharti Airtel Foundation was invited by several education officers at district and state level to scale up some of the initiatives through QSP (district/state level). The Foundation has recently launched a new initiative, TheTeacherApp one of the most innovative technology solution for teachers and educators in the country. Satya Bharti Abhiyan, the sanitation initiative started in 2014 till 2021, has benefitted 2,19,872 beneficiaries by improving sanitation conditions in the districts of Punjab, providing access to toilets and by fostering behavioural change in communities. The Foundation has been able to impact nearly 3 million children in a meaningful manner through its education programs since inception.
